**Before Use**

⚠ **CAUTION**

Please keep small parts such as plastic tabs out of children’s reach. Throw the plastic tab away.

*Note:* A plastic tab is attached to the toy for in-store demonstration purposes. While the tab may have already been removed, check the chair bottom to be sure. If the plastic tab is still attached, pull and remove the tab from the toy. Throw the plastic tab away.

**Parts**

⚠ **CAUTION**

This toy contains small parts in its unassembled state. Adult assembly is required.

- Seat Back
- Seat Bottom
- Connector Cover
- Table Top
- Table Base
- 4 Legs

**Assembly**

1. Fit the chair back into the chair bottom, as shown.

2. Position the chair assembly so the bottom is facing you.
   - Insert two screws through the chair bottom and into the base. Tighten the screws.

3. Fit the four legs to the chair bottom, as shown.
   - Insert a screw into each of the four legs. Tighten the screws.

*Note:* Tighten or loosen all screws with a Phillips screwdriver. Do not over-tighten the screws.

#4 x 1.5 cm (5/8") Screw – 10

Shown Actual Size

*Note:* each leg fits in only one location.
• Locate the connector coming from underside of the chair bottom.
• Insert the connector into the socket on the table base, as shown.

Press down firmly to “snap” the table top onto the table base.

Note: This may require some force.

• Slide the table base onto the chair assembly, as shown.

• Insert two screws through the table base into the leg. Tighten the screws.

• Locate the connector coming from the table base.
• Insert and “snap” the connector into the socket on the underside of the table top.
• Tuck the excess wire from the connector back down into the opening in the table base.

• Fit the connector cover onto the back of the table base, as shown.
• Insert two screws into connector cover. Tighten the screws.

Assembly is now complete.
Battery Replacement

For best performance, we recommend replacing the batteries that came with this toy with three, new alkaline "AA" (LR6) batteries.

- Locate the battery compartment on the underside of the chair.
- Loosen the screw in the battery compartment door with a Phillips screwdriver. Remove the battery compartment door.
- Insert three "AA" (LR6) alkaline batteries, as indicated inside the battery compartment.

**Hint:** We recommend using alkaline batteries for longer life.
- Replace the battery compartment door and tighten the screw with a Phillips screwdriver. Do not over-tighten.
- When lights or sounds from this toy become faint or stop, it's time for an adult to change the batteries!

Battery Safety Information

Batteries may leak fluids that can cause a chemical burn injury or ruin your toy. To avoid battery leakage:

- Do not mix old and new batteries or batteries of different types: alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium).
- Insert batteries as indicated inside the battery compartment.
- Remove batteries during long periods of non-use. Always remove exhausted batteries from the toy. Dispose of batteries safely. Do not dispose of batteries in a fire. The batteries may explode or leak.
- Never short-circuit the battery terminals.
- Use only batteries of the same or equivalent type, as recommended.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging.
- If removable, rechargeable batteries are used, they are only to be charged under adult supervision.

Care

- Wipe this toy with a clean cloth dampened with a mild soap and water solution. Do not immerse this toy.
- This toy has no consumer serviceable parts. Do not take this toy apart.
Two Interactive Play Modes!

**ABC Learning Mode**
- Locate the mode switch on the top of the toy.
- Slide the mode switch to either **ABC** learning mode or music mode 🔊 or off ☿.
- When your child is finished playing with this toy, slide the mode switch to the off ☿ position.
- Sit on the “magic” seat to hear the A-B-C song.
- Turn the book pages to learn about each animal and hear the sound it makes.
- Turn the clock hands to hear a fun counting song.
- Press down on the lamp to light up coloured lights and learn about on and off.

**Music Mode**
- Locate the volume switch on the underside of the chair.
- Adjust the volume to high 🔊 or low ☿, for your child’s comfort.
- Sit on the “magic” seat to hear a song. Stand up to stop the song. Sit down to resume.
- Turn the book pages to hear a song and sound effect for each animal.
- Turn the clock hands to hear Hickory Dickory Dock.
- Press down on the lamp to light up coloured lights and hear a short ditty.
Make learning more fun with the whole collection of Laugh & Learn™ toys. With rich music, lyrics and lots of activities, they combine early academics and everyday experiences, for the way kids really learn.

Each sold separately and subject to availability.
